APOLLO GROUP OF COMPANIES

GUM TREE TABLEWARE

Designed and crafted by Paul Oliver this attractive range of table accessories and kitchen utensils is extremely user friendly. They are made from salvaged timbers.

The pieces are worked green and air-dried before sanding and polishing. They are finished in pure beeswax which is absorbed into the wood to prevent drying, splintering and staining. All are suitable for use in a variety of situations, particularly non-stick or cast iron cookware and microwave ovens. They will not melt, bend or become brittle under extreme heat, and they are quiet to use.

To care for your utensils wash normally and then rub in a few drops of cooking oil or liquid paraffin (mineral oil). Do not wash in a dishwasher.

HÉRAUD

Ville à l'image dynamique, largement ouverte sur le Monde, Cognac accueille chaque année des festivités multiples, certaines de renommée internationale. C'est le cas du Festival du film policier, qui a lieu au mois d'avril, du Festival du Blues et de la Fête du Cognac, tous deux au mois de juillet. En liaison étroite avec la viticulture et le Cognac, ces événements au charme éminemment festif mettent à contribution les forces vives de la ville qui offre sans réserve son cadre et ses lieux de rencontre aux animations, dégustations, concerts... avec en toile de fond, fleurant bon le terroir, la gastronomie locale.

The city of Cognac is the scene of numerous festivities every year, including such international events as the Festival of Police Films (April), the Blues Festival and the Cognac Festival (both in July). These events are organised with the city of Cognac, which offers access to public places, tastings, concerts, etc. All of this makes a wonderful backdrop to outstanding local cuisine.

Depuis 1860, sept générations de viticulteurs ont perpétué un savoir-faire ancestral. "HERAUD & filles" : la mention est suffisamment rare pour être soulignée. Ici, Cathy et Sandrine s'évertuent à donner à leur vin une note féminine et très personnelle. Leurs efforts sont régulièrement récompensés dans divers concours. Le travail passionné, à la vigne (vignobles de 30 ha) et au chai, permet millésime après millésime d'exprimer magnifiquement les saveurs et les valeurs de ce terroir d'exception.

Ouvert 7/7 en juillet et août de 9h à 12h et de 14h à 17h

Since 1860, seven generations of winegrowers have perpetuated ancestral skills and know-how. "HERAUD & daughters" is sufficiently rare to be called attention to. Here, Cathy and Sandrine strive to make wines with a very personal feminine feel. Their efforts are regularly recognised in various competitions. The passionate attachment to detail in the 30-hectare (74-acre) vineyard and in the cellar enables every magnificent vintage to express the flavours and values of this remarkable estate.

Depuis quatre générations, la Famille Mestreguilhem veille avec soin sur un vignoble de 25 ha, situé au pied du coteau de Saint-Emilion. La passion et le savoir-faire de cette famille de vignerons font de CHATEAU PIPEAU un Saint-Emilion Grand Cru d'une qualité remarquable. Richard Mestreguilhem et son fils Jean vous y réserveront le meilleur accueil pour vous faire découvrir ce vin d'exception. Château Pipeau, très agréable dès les premières années, possède aussi tout le potentiel de garde d'un grand Saint-Emilion.

Ville à l'image dynamique, largement ouverte sur le Monde, Cognac accueille chaque année des festivités multiples, certaines de renommée internationale. C'est le cas du Festival du film policier, qui a lieu au mois d'avril, du Festival du Blues et de la Fête du Cognac, tous deux au mois de juillet. En liaison étroite avec la viticulture et le Cognac, ces événements au charme éminemment festif mettent à contribution les forces vives de la ville qui offre sans réserve son cadre et ses lieux de rencontre aux animations, dégustations, concerts... avec en toile de fond, fleurant bon le terroir, la gastronomie locale.

Chantée par Pierre Loti, "l'île aux parfums" offre les senteurs mêlées de sa pinède odorante et des mimosas, lauriers-roses et tamaris qui entourent les petites maisons blanches. Le charme lumineux de ses plages de sable fin, ses paysages colorés constituent une invitation permanente à la promenade. À voir :

Le petit port de la Cotinière

Avec ses bateaux de pêche aux tons vifs, sa jetée, sa criée.

Le Château d'Oléron

Place forte du 17^{ème} siècle, que protège une citadelle.

The île d'Oléron was immortalized by author Pierre Loti as the "Perfumed Island" due of the combined aromas of pines trees, mimosa, rose-laurel and tamarisk surrounding the small white houses. The special luminosity, sandy beaches and colourful countryside are a constant inducement to go on natural walks.

The
REAL ESTATE
Facilitators®

What is our role?

- We facilitate the sale of your property or development proposal in the most efficient and economical manner.

How does it work?

- We assess the likely purchaser profile for your property/development proposal
- We select the most appropriate and ethical real estate agents with the potential to effectively market your property. Our selection will be determined on their data base matching the deal profile. The agents will be bound by a conjunction sales agreement with our company

What are the advantages for you?

- Nil or very minimal advertising costs. (some small classified ad or signs when warranted)
- Access to the client base of several agents, without the need of signing exclusive and limiting sales agreements.

How much will it cost?

- No more than any regular agent would charge. We share the commission with the agent providing the purchaser.

Your ultimate benefit?

- Because your exclusive agreement is with Nilsen & Associates, you'll benefit from the potential client list of a number of agents;
- No individual agents can or will badger you to reduce the best or highest estimated price for your property. This agreement for a final sales price will be determined in consultation between you and Nilsen & Associates.

Entrusting us with the sale of your property/development proposal, you will be assured of the most discreet and ethical marketing process right through to settlement.
